Mrs. Nichols noted, also, that Anne Robbins-Sanders, Branch Manager at Medgar Evers Library, earned her MLS degree as well.

*Mrs. Berry moved, second by Mrs. Hadnott, to approve the Human Resources Report as presented. The motion passed unanimously.*

Mrs. Miaojin, Assistant Director for Technical Services, presented the Technical Services report for July 2017. Mrs. Jin reported on continuing system purging activities, her success in negotiating a much lower annual subscription rate for the Universal Class database, and activities with sorting a multitude of donated books and materials. She also discussed the status of the leased books at the Tisdale Library and explained that the Library System is not losing funds owing to the books currently being unavailable for use by the public.

Ms. Kimberly Corbett, Deputy Director, presented the Public Services Report of the Library System’s branches activities for August and September, 2017. She reported that she is continuing her visits to all library branches, and peeking into supply closets, trying to arrange “swaps” between branches for supplies.
Chairman’s Report: Mrs. Sylvester presented the Chairman’s Report. She is continuing her visits to library branches and talking at random with staff about their jobs and comments.

Committee Reports: Budget Committee: The Library System’s attorney was scheduled to meet with the Board regarding policies for violence in the workplace and bullying; the attorney was ill and could not attend. Progress on these issues will be reported at a later date and they were tabled for a later meeting.

Executive Director’s Report: Mrs. Furr presented the Executive Director’s Report. She reported that the ceremony honoring the Tougaloo Nine, on August 17, had been a huge success. She noted that Carla Hayden, the 14th Librarian of the Library of Congress, had been in Jackson on the 17th and, having seen the publicity of the Tougaloo Nine ceremony, came to Welty Library with Congressman Greg Harper. Both were highly complimentary of the library, itself, and particularly of the Autism Center and the new Technology Information Center.

Mrs. Furr also reported on plans for Staff Development Day including addressing violence in the workplace, bullying, and drug awareness and treatment.

New Business: *1. Motion to lease on a month-to-month basis the administrative space of the former Virginia College property at 479-55 North, Bldg. B, Jackson 39206 for the cost of $1900 per month, which is the estimated cost of providing electricity to the building.

Mr. C.R. Jones pointed out that the terms of the lease are for an annual lease, not a lease on month-to-month basic. He requested that Mrs. Furr assure that there be adequate funds available and pointed out that a 90-day notice from either party is part of the lease and could cause problems for the library before the expiration of the lease.-

Mrs. Furr answered questions regarding installation of cables and wires at the new facility and how the installation costs would be covered.

Mrs. Bailey posed her concerns about Welty Library’s future with respect to the expected progress of the mold toxification of the building.

Mrs. Berry moved, second by Mrs. Hadnott, that JHLS lease on a month-to-month basis the administrative space of the former Virginia College property at 479-55 North, Bldg. B, Jackson 39206 for the cost of $1900 per month, which is the estimated cost of providing electricity to the building. The motion carried unanimously.
*2. Motion to close the Jackson Hinds Library System on Monday, October 9, 2017 for a staff training day.

Mrs. Bailey moved, second by Mrs. Sylvester to close the Jackson Hinds Library System on Monday, October 9, 2017 for a staff training day. The motion passed unanimously.

Public Comments: There were no requests from the public to speak at the meeting.
