

WELCOME TO THE CENTER OF THE SOCIAL SECTOR

The world comes to Foundation Center to inform itself about how to improve lives across the globe.

Foundation Center is **dedicated to collecting and curating the most comprehensive, timely knowledge about the social sector** and sharing it globally, both in person and through innovative technology platforms.

Whether you want to **find funders** who share your passion, keep up with **best practices** in grantmaking, or advance your nonprofit career, you'll get **in-depth insights and data** you can use.

See how we can help you achieve your mission at foundationcenter.org.

FOUNDATION CENTER IS MORE THAN YOU THINK

We deliver deeper insights and knowledge through a wide variety of data-driven tools targeted at specific audiences or the social sector overall. You probably know some of them – and should know more of the ones that can help you.

FOUNDATION DIRECTORY ONLINE

World's leading prospect research tool, powered by its most accurate database and our proprietary search engine for fast, reliable results.

FOUNDATION CENTER TRAINING

Learning that keeps you in front of emerging trends.

FUNDING INFORMATION NETWORK

World-class Foundation Center resources available locally at over 400 libraries, schools, and foundations in X countries.

REGIONAL HUBS

Foundation Center services and events in New York, Washington, DC, Atlanta, Cleveland, and San Francisco.

cf INSIGHTS

Support and guidance to help community foundations apply data to achieve their missions more effectively.

ISSUELAB

Unparalleled access to the social sector's collective intelligence on a wide range of important issues.

FOUNDATION MAPS

A new, more accurate way to visualize who is funding whom.

PND PHILANTHROPY NEWS DIGEST

A daily dose of everything happening in the world of philanthropy.

GRANTSPACE

An interactive learning community built to be an ally in growing your knowledge and skills.

GRANTCRAFT

A site dedicated to improving the practice of philanthropy through the sharing of funder insights and the fostering of insightful conversations in the sector.

GLASSPOCKETS

Promoting transparency for greater awareness of the practice of philanthropy.

FOUNDATION LANDSCAPES

Issue-based web portals keep everyone up to date and show donors' places in broader networks.

FOUNDATION RESEARCH

Issue-based web portals built in partnership with organizations worldwide show donors networks.
