MARCH 18TH, 2023

Calling all gigglers, leg slappers, and snorters to the Alexander Library for National Let's Laugh Day. This will be a day to relax and let the worries of the day disappear. Join us as we watch two comedic movies full of jokes and punchlines that will have your jaws hurting and bellies aching. For laughter is the medicine of the soul and today we all need to take our medicine. The showings will be on March 18, 2023, at 10:00 a.m. and 1:00p.m.. If you have any questions or need more information, please call us at 601-354-8911. We look forward to seeing you!
